Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Sunday 17 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain and drizzle on Monday but staying very mild.

This Evening and Tonight:
Rather cloudy into this evening, however a few bright spells are likely, with the best of the sunshine in southern parts of the region. Largely dry overnight with clear periods and turning misty in places. Mild. Minimum temperature 9 deg C (48 deg F).

Monday:
Any early brightness soon replaced by thickening cloud and outbreaks of rain and drizzle spreading from the west. Remaining largely cloudy with some drizzly rain through the afternoon. Feeling warm. Maximum temperature 17 deg C (63 deg F).

Outlook for Tuesday to Thursday:
Spells of rain or heavy showers, these interspersed by some drier and brighter interludes. Unseasonably warm by day and mild overnight, but turning colder by Thursday. Very windy at times.
